

Simple Chain Scrunchie

This scrunchie can be made with any size hook and with single strand of worsted weight yarn or double strands like this one.

This scrunchie was made with size G hook and 2 strands of yarn held together. This makes a big sized scrunchie.

Materials:

G Hook or smaller size for smaller scrunchie.
worsted weight yarn one strand or two strands
elastic pony holder...this one does NOT have metal on it.

Directions:

Attach yarn with slip stitch to elastic holder, SC around the holder. There are 22 SC in this one...use however many you need to fill the holder. Pull the holder a couple times to stretch it and you can add a couple more SC. Sl st to 1st sc to join.

Chain 15, sk next sc, and sl st in next. repeat around sl st to 1st sk st

Chain 15, sl st from behind 1st loop into sk sc, ch 15, sl st from front into next sk sc. repeat around going from back to front of previous loops. FO and weave in ends.
